

## ریفرنس های رشته ستوماتولوژی

| فصل های انتخاب شده کتاب های ریفرنس قبلا اعلام شده در سال 1398 که از آن سوالات امتحان انترنس سال 1400 برنامه اکمال تخصص وزارت صحت عامه تهیه میگردد. |  |       |
|--|--|-------|
| فصل های انتخاب شده   | اسم کتاب با مشخصات   | شماره |
| chapter 8 Head and Neck  | GRAY'S ANATOMY for student third edition RICHARD L. DRAKE , A.WAYNE VOGL, ADAM W.M. MITCHELL | 1     |
| ALL THE BOOK   | Essentials of <u>Oral Pathology</u> , second Edition, Swapan Kumar Purkait                   | 2     |
| part 1 Bacteria  | CLINICAL MICROBIOLOGY,Mark Gladwin,William Trattler, C.Scott Mahan 6 Edition                 | 3     |
| Part 2 Fungy   |  |       |
| Part 3 Viruses   |  |       |
| chapter 1 Histology and its methods of study   | <u>JUNQUEIRA'S Basic Histology</u> , Anthony I. Mescher 14 edition                           | 4     |
| chapter 2 the cytoplasm  |  |       |
| chapter 3 the Nucleus  |  |       |
| chapter 4 Epithelial Tissue  |  |       |
| chapter 5 the connective tissue  |  |       |
| chapter 7 the cartilage  |  |       |
| chapter 8 Bone   |  |       |
| chapter 9 Nerve Tissue and the nervous System  |  |       |
| chapter 10 Muscle Tissue   |  |       |
| chapter 11 the circulatory system  |  |       |
| chapter 12 Blood   |  |       |
| chapter 13 Hemopoiesis   |  |       |
| chapter 14 the Immune system and lymphoid organ  |  |       |
| chapter 18 Skin  |  |       |
| unit 1: principles of Drug Therapy   | <u>Pharmacology</u> ,Richard finkel, Thomas A.Panavelil 7 Edition (lippincott)               | 5     |
| Unit 2: Drug Affecting Autonomic Nervous System  |  |       |
| Unit 3: Drugs Affecting the Central Nervous system Chapter 12: Drugs for Epilepsy  |  |       |
| Unit 3: Drugs Affecting the Central Nervous system chapter 13: Drugs for Anesthetics   |  |       |
| Unit 4 chapter 17 Anitihypertensives   |  |       |
| Unit 4 chapter 18 Diuretics  |  |       |
| Unit 5 chapter 24 Pituitary and Thyroid  |  |       |
| Unit 5 chapter 25 Drugs for Diabetes   |  |       |
| Unit 5 chapter 26 Estrogens and Androgens  |  |       |
| Unit 5 chapter 27 Adrenal Hormones   |  |       |
| Unit 6 chapter 30 Antihistamines   |  |       |
| Unit 6 chapter 35 Drugs for Bone Disorders   |  |       |
| Unit 6 chapter 36 Anti- inflammatory,antipyretic,analgesic agent   |  |       |
| Unit 7 chemotherapeutic Drugs  |  |       |

|   |  |          |
|---|--|----------|
| Unit 1 chapter 1 functional organization of human body          | <p>GUYTON AND HALL TEXTBOOK OF<br/> <u>MEDICAL PHYSIOLOGY</u> JOHN E. HALL<br/> 13 Edition</p> | <p>٦</p> |
| unit 1 chapter 2 the cell and its functions                     |  |          |
| unit 2 chapter 4 transport of substances through cell membranes |  |          |
| unit 2 chapter 5 Membrane potential and action potentials       |  |          |
| Unit 2 chapter 6 Contraction of skeletal Muscle                 |  |          |
| unit 4 chapter 14 overview of the circulation                   |  |          |
| Unit 4 chapter 16 the Microcirculation and lymphatic system     |  |          |
| Unit 4 chapter 24 circulation shock and its treatment           |  |          |
| Unit 5 chapter 25 the body fluid compartments                   |  |          |
| Unit 6 chapter 33 RBC, Anemia, and polycythemia                 |  |          |
| Unit 6 chapter 34 Resistance of the body to infection           |  |          |
| Unit 6 chapter 35 Resistance of the body to infection           |  |          |
| Unit 6 chapter 36 Blood types, transfusion                      |  |          |
| Unit 6 chapter 37 Hemostasis and blood coagulation              |  |          |
| Unit 9 chapter 46 organization of the nervous system            |  |          |
| Unit 14 chapter 78 Adrenocortical Hormones                      |  |          |
| Unit 14 chapter 79 Insulin, Glucagon, Diabetes Mellitus         |  |          |
